Re the appointment of a Chief Officer
to Arsikere Town Municipality

I have the honour to state that Arsikere is a Town Municipal Council and the Government have granted the privilege of electing a non-official president from among the members. This privilege has been exercised and Sri K A Nagaraj is the non-official president. Generally the non-officials are not well conversant with the rules and bye-laws relating to the Municipalities and the knowledge of rules is quite necessary for the efficient administration and discharge of several duties. There will be frequent change of Presidents since they are elected presidents during each term of the Municipal Council. Therefore the Municipal Council was requested to furnish their views re the appointment of a Chief Officer to their Municipality. They were not in favour of this proposal for the first time. But after consideration, the Municipal Council have resolved on 22-6-48 agreeing to have a Chief Officer for the Municipality.

I, therefore, request that sanction of Government may kindly be obtained to the resolution of the Municipal Council to have a Chief Officer for their Municipality. The budget of this Municipality for the year 1948-49 have already been submitted to Government, for sanction and as no provision appears to have been made therein for this purpose the cost on this account may be ordered to be met out of the closing balance during the current year, if, in the meanwhile the budget is ~~not~~ sanctioned. Otherwise this item of expenditure may also be kindly caused to be incorporated in the Budget estimates.

The present Sanitary Inspector is not well versed in matters relating to the Public Works. An experienced Chief Officer with sufficient knowledge of public works may kindly be posted to this Municipality as desired by the President.

A copy of the resolution is enclosed.

I have the honour to be,
Sir,
Your most obedient servant,

M. B. W.
Deputy Commissioner,
Hassan District
